Together our School and P&C Association made the decision for the safety of our children, that any parent, grandparent, carer or guardian who is a regular helper within our school is required to obtain a “Blue Card” (suitability card when working with children). This can be obtained at NO cost to yourself, with the necessary paperwork available at the school office.

Willing to obtain a Suitability Card:    YES     NO

Please place in P&C box located in school foyer.
