Seth the deaded wolf

Beep beep beep beep Seth<sup>the</sup> deadly  
Swallow jumped up on the wall  
and said "Bell" quiet" to  
the alarm clock but it wasn't  
his alarm clock. It was her  
owners alarm clock and the  
owner said "It's bath time."  
deadly" Seth ran  
to get the horrifying brush  
and ran out side. He ran  
to the park and dug a hole  
and ran a way from home.  
When he ran a way from  
home he was walking

around the city and playing  
with his friends. Their name  
was Asaiah and Uno and  
Blake. They played tag and  
rolled in the mud with his  
friends, but when Seth was looking  
around the city and he thought  
that Blake was stolen

by the dog catcher so he  
ran back home and deadly  
owner saw a homeless dog running  
up to his house because Seth was  
deadly his owner didn't recognise him  
his owner came out side  
so deadly Seth did tricks  
it was like doing back flips

and frant flips and roly polis.  
But the owner still did not recognise him.  
So deadly Seth got an idea.  
he ran back to the park  
to get the brush and ran  
the bark to the bath so  
the owner gave deadly Seth  
a bath and went  
to bed.

★ Great sizzling start.

★ Good spelling

💡 Add some adverbs.

GOTCHA!
