Water Safety Program

Dear Parents/Guardians,

We are excited to offer students in Grades 1 and 2 the opportunity to take part in our Water Safety Program to be held in Term 4. Swimming and water safety is a valued part of the school curriculum and as such we encourage every child to participate as this will be our Physical Education lesson for 2 weeks.

We view swimming and water safety lessons as an activity that improves fitness levels, coordination, is fun and perhaps most importantly, gives our students a set of skills that could one day save their lives. Participation in the Water Safety Program is a great way to ensure your child's safety in and around the water.
