

# *Meet the Teacher Afternoon 2021*

February 6 2021

Dear Parents and Care Givers,

I would like to invite you to our Meet the Teacher afternoon session. Partners in Learning sessions are an opportunity for you to meet your child's new teacher, learn about the curriculum, upcoming excursions and the procedures related to each year level. It is also a wonderful opportunity to get to know your child's teacher and for them to get to know you as we work together to ensure every child is successful at Edens Landing State School.

The session runs on one afternoon, rolling short meetings to keep COVID-19 safe with only 5 adults in a classroom. The session will run from 3pm to 4.15pm in your child's classroom. I realise not everyone can attend (I can't get to my children's school!); however teachers will share information through their communication channels.

Wednesday 17 February – 3pm-4.15pm

COVID safe plan- All adults to carry a face mask. Wear the facemask if you cannot social distance. Use hand sanitiser and soap provided. Only 5 adults in a classroom, this includes the teacher.

I look forward to meeting you all over the course of the term.

Principal
