

YMCA OSHC EDENS LANDING NEWSLETTER

SERVICE INFORMATION

Welcome to our Service Newsletter for May 2022.

We've had a busy few weeks at OSHC with programming and gathering children's voices into the OSHC Menu, our weekly program and our upcoming Vacation Care program. We're currently trying to gain input from families in regards to our Menu, so our question to families this month is:

Is there any cultural dishes that you eat in your home, that you think we could potentially implement into our menu? or any favourite snack/meal that you all eat together at home?

We would LOVE to have more family input into the activities and meals we do here at OSHC and we'd love to try and incorporate our families culture into our OSHC program and menu in a safe and inclusive way.

Families, if you have any concerns and/or suggestions for the service, please don't hesitate to contact us

OUR SAFEGUARDING POLICY AND ACF

Did you Know that the YMCA's Outside School Hours Care **Child Safe Program** is independently reviewed by the **Australia Childhood Foundation?**

At the Y we believe in the power of inspired young people. For young people to be inspired, we know they need to feel safe and be safe. That is why the Y is independently reviewed by the Australian Childhood Foundation (ACF) to ensure our services are safe for all children and young people.

The ACF '**Independently Reviewed**' stamp is a sign of assurance that the Y is a safe place for your children and young people."

Attached to this newsletter, will be a copy Our Safeguarding Children and Young People Policy, for those families interested in reading one of our most important Policies here at the Y Carbrook.
